Melbourne; The Miegunyah Press; 1997.

H.M. Bark Endeavour is a fitting companion and supplement to the standard works on Cook's voyages. The work is the result of a most painstaking study of the Endeavour and a unique account of a great journey of discovery up the east coast of New Holland (Australia) in the year 1770. The text is accompanied by a series of plans and figures depicting the ship's architecture and construction, her deck plan, rigging, sails, armaments, boats, cables, anchors and accommodation. The Third edition was published in 1999 with revisions, this a reprint of it also in 1999. [Click here to Order](#)
