**GOULD, JOHN.**

**The Birds of Australia.**

Facsimile Edition of 8 large Impl. folio volumes (54cm x 35cm); 681 coloured plates in total; bound in publisher's green cloth, titles lettered in gilt on spine, gilt stamped decoration on upper boards; Vol. 1. pp. ciii, 14, 36 plates of birds, introduction, table of ranges of species including New Zealand, New Guinea, preface, dedication page to Queen Victoria, list of subscribers, general index to first 7 volumes; Vol. 2. 104 birds; Vol. 3. 97 birds; Vol. 4. 104 birds; Vol. 5. 92 birds; Vol. 6. 82 birds; Vol. 7. 85 birds; Vol. 8. 81 birds is the supplementary volume with its own index, all are fine copies. Still with their original printed post boxes most likely never opened. Melbourne; Hill House; 1989-1996.

*This facsimile of Gould's massive work that was originally published in parts between 1840 and 1848, the supplementary volume 8 was originally published in 1869 and covers birds discovered between 1848 and 1869. This work provides beautiful hand coloured lithograph plates of each then known bird in Australia and also some from New Zealand including the Owen's Apteryx. The text accompanying the plates gives a full description of the birds plumage and variations between sexes, during breeding seasons, distribution, and also tributes to by whom, when, where specimen collected and possibilities of further members of the species existing. Gould also sometimes notes nests and eggs as in the Wedge Tailed Eagle and interesting asides, such as the Tasmanian Aborigines being extinct. The Publishers, Hill House collaborated with the British Museum to produce this outstanding full-size facsimile, the editions of each volume were less than 500 in number. The complete facsimile set is now rare, an almost never offered in such fine condition. [Click here to Order](#)*

**WALSH, GRAHAME L.**

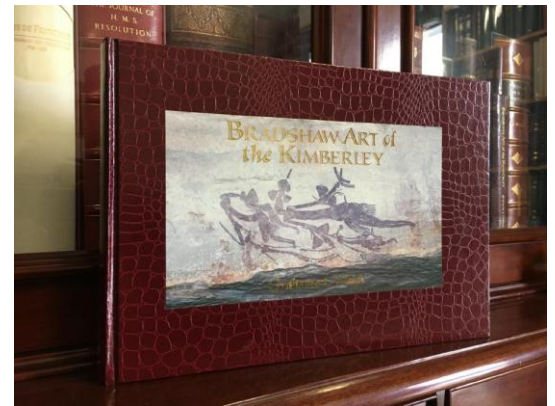

**Bradshaw Art of the Kimberley.**

First Edition; Oblong Super Royal 4to; pp. x, 464; illustrated endpapers, text illustrated with over 620 coloured photographs, numerous text drawings, glossary, bibliography, index, bound in purple mock-crocodile skin with title lettered in gilt on spine, laid down illustration on upper board, fine copy. SCARCE.

Toowong; Takarakka Nowan Kas Publications; 2000.

*Grahame Walsh's masterpiece, "Bradshaw Art of the Kimberley", a vast and unclassifiable book, part photographic essay, part speculative anthropology. When the book was published it marked the moment of Walsh's greatest difficulty as well as the first pinnacle of his public renown. Protest from Kimberley Aboriginal groups angered by his interpretation of the Bradshaw style redoubled; rock art experts resented his refusal to share his data or provide access to sites he knew. But the overwhelming detail collected in the book and the depth of his knowledge of the tradition made their own case. It became impossible to deny that Walsh, through his solitary efforts, had uncovered a vast, half-forgotten realm of indigenous art.* [Click here to Order](#)
